A WORD FROM THE PRESIDENT

The year 1985 has been one of three landmark years in the history of the college. 1948 marked the beginning of the Western Bible Institute; 1975 marked the establishment of Western Bible College on the foundation of the Bible Institute; and 1985 marks the formation of the Colorado Christian College from Western Bible College and Rockmont College.

Congratulations to those who have been a part of the student body this past year, especially those in the graduating class of '85. You have faithfully carried out your academic responsibilities, and most of you have grown significantly in the Lord during a year filled with the challenge of change. May God richly use each of you for the Kingdom of God.

Dr. Wall
President

WESTERN BIBLE COLLEGE COMES TO A CROSSROAD

Western Bible Institute was founded by Mr. Carl C. Harwood, Sr., who went to be with the Lord in 1957.

Mr. Harwood was a very gifted evangelist who used a variety of means to encourage unsaved people to come to his meetings. Some of the means he used were magic object lessons, Victor Thermon (an instrument played without touching), fluoreşcent rocks, and a trained Arabian horse.

A group of young men asked Mr. Harwood to share some of his methods. He responded with a two-week seminar of instruction and evening evangelistic services in which they used these methods. As the weeks progressed, Mr. Harwood realized that the young men did not have a thorough knowledge of the Bible. The methods could never produce results unless these young men were well grounded in the Word of God. As a result, Mr. Harwood began to plan for a Bible institute in which the study of the Bible would be predominant.

Carl C. Harwood, Sr.

The first location of Western Bible College was West Evans and South Jason in Denver. In 1958 the classes were moved temporarily to Englewood First Christian Church in order to expand the courses offered.

Western Bible Institute in 1961

The fifty acres where Western Bible College is located now was given by Clarence and Stanley Harwood. In 1961 Western Bible Institute moved to the present location with Carl C. Harwood, Jr. as the president. Dr. Stanley Toussaint was the president in 1967, and Mr. Adrian House assumed the leadership in 1971. From 1977 to 1983 Dr. William Boyd was president. This year Dr. Joe Wall accepted the office of president.

Dr. Joe Wall

Since a four-year program was initiated in 1964, the board decided to change the name to Western Bible College in 1975. The college was accredited by the American Association of Bible Colleges in October 1974 and by the Association of Christian Schools International in 1978.

Western Bible College has graduates serving in various parts of the world such as Scotland, Sweden, West Germany, Austria, Yugoslavia, Spain, Italy, Africa, Bolivia, Venezuela, Brazil, Argentina, Uruguay, Japan, Nepal, New Guinea, Philippines.

KWBI Radio Staff

KWBI Radio Station

In 1971 Western Bible College began broadcasting from its own non-commercial, educational FM radio station, KWBI. Recently they have expanded to include KJOL in Grand Junction. They also have translators in Cheyenne, Wyoming, and in Steamboat Springs, Delta, and Paonia in Colorado.

KWBI operates 24 hours a day with 70% music, 20% teaching, and 10% news and public announcements. KWBI has had a great ministry in helping Christians grow and also reaching non-Christians.

FALL RETREAT

The Fall Retreat provided a much needed break after a month of readjustment to studies. September 21-23 was the date, and Star Ranch at Colorado Springs provided the beautiful setting. It proved to be a relaxing, as well as an enriching time. Our speaker, Jerry Larson challenged us in our spiritual life and daily walk with the Lord. Many activities were available, such as softball, Volleyball, basketball, ping-pong, hiking, or just doing nothing. Being away from school pressures gave us time to develop new relationships, and strengthen old ones, many of which are strong today.

WORLD AWARENESS ENCOUNTER WEEK

The week of World Awareness Encounter was a great blessing. It was scheduled to start on Tuesday, but a heavy snow storm made it necessary to delay the first session until Wednesday. Yet, God greatly used this week to bring many of us to a place in our lives where we were willing to serve the Lord wherever He leads.

The main speakers were Mr. Don Richardson and Dr. Eugene Williams. In addition, there were several missionaries representing various mission boards. Each missionary was in charge of a workshop and a seminar.

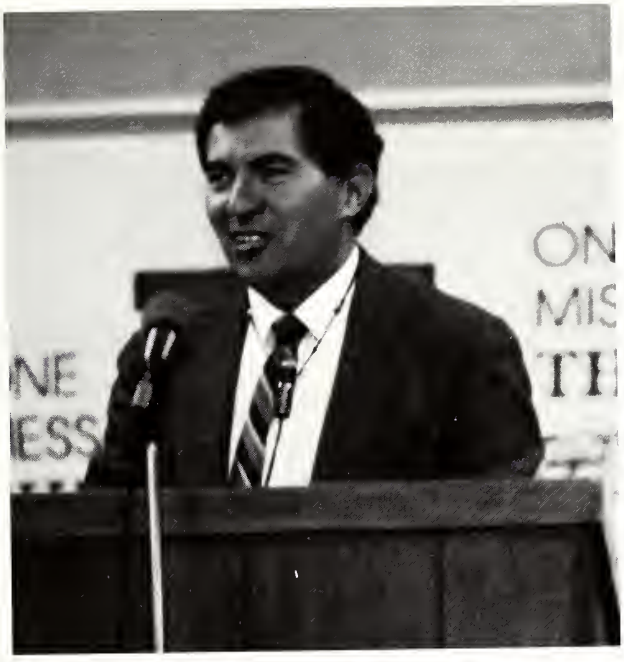
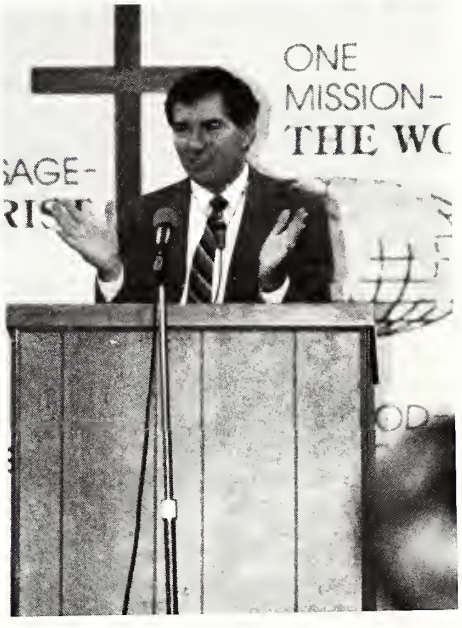
MISSIONARY SPEAKERS

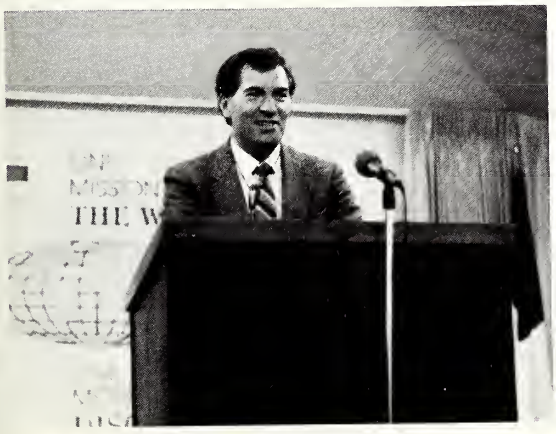
Don Richardson is the author of *Peace Child* and *Lords of the Earth* as well as several other books. He brought some spiritual truths from the Word, one of which was the fact that God has always had missions in mind. He proved this not only from the five commissions but also from passages throughout Scripture.

Dr. Eugene Williams, who has served since 1977 as General Director of the American Missionary Fellowship, was an excellent speaker with a great sense of humor. We learned some very important aspects of the Christian life as he presented truths we had not been aware of before.

It was also exciting to get acquainted with "real missionaries," some of them stayed on campus, and the students had the opportunity to talk to them on an informal basis.







MISSIONARY BANQUET

Friday night was the climax of the week. Students, faculty, staff, and missionaries all spent the evening at the Marriott Hotel enjoying a lovely banquet. Mike and Marvel McGuire provided the music. The fellowship around the tables was most enjoyable. It also provided an opportunity to reflect on the blessings of the week. We all express our appreciation to the officers of the SMI for an outstanding missions conference and banquet.

This year Kenneth Gangel and his wife Betty were the speakers for our Spiritual Life Conference. The focus of the messages was that "God Needs You" "Your Family Needs You," "The Church Needs You," and "The World Needs You," Mr. Gangel approached these topics from the viewpoint of leadership in the home, the church, and society. Students as well as faculty were blessed by the impact of this teaching, as well as by the various songs that were sung — including one by Dr. Gangel. God really used all those involved to make this another tremendously successful and refreshing Spiritual Life Conference.

STUDENT MISSIONS IMPACT

"To cultivate a positive, life-long vision within the students and faculty of W.B.C. toward the expansion of personal responsibilities in worldwide evangelism." This was the stated purpose of S.M.I. for 1984-1985. The S.M.I. council endeavored to accomplish this goal through a number of means.

The annual World Awareness Encounter brought in missionaries and speakers for a week of challenge. A group of students, led by Mr. Morgan, attended the Urbana Missions Conference over Christmas break. The main thrust of the spring semester was to provide opportunity and support for students to participate in summer missions. Thirteen student represented W.B.C. throughout the world during the summer of 1985. Contributions were made by the student body through the stewardhsip ministry of S.M.I.
